## Experience Certificate

This gives me immense pleasure to compile this testimonial for [REDACTED] who has been working in IrvineTek SMC (pvt) Ltd as a Consultant PM from October, 2018 to May, 2022.

IrvineTek is California based agile consulting and tech management firm. We specialize in wide range of software development services including discovery, wireframing, design, development, implementation, setup & maintenance.

As a Consultant PM, she learned to assure the development, implementation and verification effectiveness of quality systems affecting all aspects of development. She learned reviewing & analyzing data, in order to recognize trends and opportunities for improvement/corrective action, by using process capability other statistical or quality engineering tools.
